

Fiber Optic Panel Dark Box Type 118

Overview

LGX 118 standard sized fiber adapter panels from Corning, AFL, Leviton. Single mode, multimode and 10G type LC, ST, SC, FC, MTRJ, MTP connector panels. Bronze sleeves are exceptional for multimode fiber applications where alignment is not crucial. Quick solution when you need to couple two fiber SC connectors. Black Box offers a complete line of couplings so you can choose from virtually any type of coupling, for single-mode or multimode fiber, and from multiple. Corning has a wide variety of hardware solutions to choose from to fit your cabling needs. Corning has a variety of hardware solutions including ethernet fiber switches, panels, racks. Seamlessly integrate with our FlexCore™ ODF 600mm frames. Our patch panel offers high-density fiber connectivity in a compact 4RU enclosure, perfect for space-constrained environments.
