

QSFP optical module dust plug

Overview

They are specifically designed to fit the ports of Duplex LC-style QSFP+ and QSFP28 modules (common in data centers, high-speed switches, and routers). Made from soft, flexible silicone, they won't scratch the delicate optical connectors. It features a high quality appearance and smooth edges to enhance the look of your device. Environmental protection and no peculiar smell. Function: These plugs are versatile (dustproof, moisture proof and antioxidant). □Application□Dust Cover for. QSFP MPO Dust Plug is made using injection molding processes. The primary benefit of using injection precision parts is their ability to maintain exact specifications, leading to enhanced product quality and reliability. Small features, intricate geometries, and thin walls can be captured with ease. Buy QSFP Dust Cap for XFP Fiber Optical Module, Gold Finger Qsfp2840G 100G 200G Protective Cover, Silicone Plug, Free Shipping, 100P at Aliexpress for. Enjoy ✓Free Shipping Worldwide! ✓Limited Time Sale ✓Easy Return. We Located in Qingdao, Shandong province, the fast growing up and developing international business city.
